Whether you have a group of 5, 50, or 500+, we can help bring your corporate event to life.

**OUR PACKAGE OPTIONS ARE  
COMPLETELY CUSTOMIZABLE.**

**This is your corporate World Cup moment. Build it

ARCADE • BAR • STREET FOOD\*

## FOOD

Good food is non-negotiable at GRETA. Our menu draws from global street food traditions: locally sourced, made fresh, and built to satisfy. Grab from the food truck window, sit down for table service, or go all-in with platters for the group. And with options for every dietary preference and restriction, we make sure everyone eats well.

## DRINKS

At GRETA, variety is our personality. Premium cocktails. Signature spirits. Eighteen beers from around the world — ten brewed right here in Vancouver. Non-alcoholic options that hold their own. Whatever you're in the mood for, we've got you covered.

## GAMES

The World Cup runs on competition and so does GRETA. From timeless classics like air hockey and pinball to the World's Largest Space Invaders, the gaming floor keeps the rivalry alive long after the final whistle. Fifty-plus arcade games. One leaderboard. No bad options.
